

GROUP LONG TERM DISABILITY INSURANCE

Group Long Term Disability insurance from Standard Insurance Company helps provide financial protection for insured members by promising to pay a monthly benefit in the event of a covered disability.

The cost of this insurance is paid by your employer and enrollment is mandatory.

Eligibility	
Definition of a Member	You are a member if you are an active employee of an employer participating in the LTD insurance group policy. You are not a member if you are a temporary or seasonal employee, a full-time member of the armed forces, a leased employee or an independent contractor.
Becoming Insured	The effective date of your coverage depends on when you become an eligible employee and when you complete your eligibility waiting period, if any. In each case, you must meet the active work requirement before your insurance becomes effective.

Maximum Monthly Benefit	\$8,000
Minimum Monthly Benefit	\$100 or 10 percent of your LTD benefit before reduction by deductible income, whichever is greater.
Benefit Waiting Period	90 days

Benefits **Continued**

Definition of Disability

For the benefit waiting period and the first 24 months for which LTD benefits are paid, you must be unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of your own occupation and suffer a loss of at least 15 percent of your predisability earnings while working in your own or any other occupation.

After that, you must be unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of any gainful occupation which:

- You are able to perform, due to education, training or experience,
- Is available at one or more locations in the national economy, and
- You can be expected to earn at least 80 percent of your indexed predisability earnings within 12 months of returning to work, regardless of whether you are working in that or any other occupation.

Maximum Benefit Period

If an employee becomes disabled before age 62, LTD benefits may continue until the Social Security Normal Retirement Age (SSNRA). If an employee becomes disabled at age 62 or older, the benefit duration is determined by your age when disability begins:
