

Income Protection Insurance for Attorneys

Platinum Advantage From The Standard

Safeguard your future
with income protection
insurance.

Could you withstand an unexpected large drop in income? How would you pay your bills, fund your retirement plan and maintain your lifestyle? Platinum Advantage can help. It provides a monthly benefit if you were to become too injured or sick to work.

Extra Income Protection Is Critical for Attorneys

Attorneys have a lot to protect. Many firms provide group long term disability insurance — a great income protection foundation. But LTD maximum benefit amounts can create an income-replacement gap. And bonuses may not be covered with LTD. Platinum Advantage can

help fill the gap.

True Own Occ Offers Freedom

With the Own Occupation Rider, you can collect total disability benefits if you're unable to perform the substantial and material duties of your regular occupation but choose to work in another job. Without this rider, you would have to choose between collecting a disability benefit or working.

An example: Imagine if a trial attorney suffered an illness that resulted in not being able to present in court. That trial attorney could work in another legal practice or even in another field and still collect benefits. The Own Occupation Rider can provide the freedom to choose how you want to spend your time when faced with a disability.
